

# What Do I Need?

**Youth Ministry** is more fun when we are properly prepared, so below is a list of both required and suggested guides for our different activities!

## Water Games/Funny Relay Races/Games in the Field

- We have water themed activities so it would be good to have an extra set of clothes at camp (you may get muddy, soaked, even slimed...)
- Bathing suits or ***dark*** colored shirts (most prefer) -nothing see thru when wet! and remember bathing suit rules!
- Towel

## Muddy Run Park

- We will be taking a hike so sneakers or closed toed shoes are REQUIRED!
- Clothes that you can get wet in – we may do some creek stomping
- Water to drink
- Money for the snack bar (absolutely optional)

## Tubing

- Bathing suits (again remember bathing suit rules!), shorts, dark t-shirt
- Towel
- No cell phones, extra money, or anything of value should go with you on the bus

## Mission Impossible

- Many like to wear dark athletic clothes (even facepaint...!)
- Closed toe athletic shoes are REQUIRED!

## Morning/Evening/Weekend Services

- Bring your bibles!!!
- Bring your questions, your opinions, and your enthusiasm to grow in you faith!
